AMENDMENT AND RESPONSE

Commissioner for Patents
Washington, D.C. 20231

RECEIVED

MAR 26 2003

TECH CENTER 1600/2900

Sir:

This communication is responsive to the non-Final Office Action dated October 18, 2002, concerning the above-referenced patent application. The period for responding to the Office Action is initially set to expire on January 18, 2002, and with the granting of the accompanying petition and fee, the time for response is extended to March 18, 2003, and therefore this response is timely filed.

No additional fee is believed to be due for this filing; however, should any additional fee be required for this filing, the Commissioner is hereby authorized to charge any such fee to Deposit Account No. 50-2350. For the purpose of charging said Deposit Account, a duplicate of pages 1 and the signature page are submitted herewith.

Please amend the application as follows:

In the specification:

Please insert the following as the first paragraph of the present application:
